All Or Nothing

Tonight's the night
To come in out of the cold,
I've waited such a long, long time
I'm getting out of control.

All or nothing
That's what I want from you,
I'm gonna give you everything I got
Now what are you gonna do.

Don't try running away,
You know you get nothing that way.
'Cos it's too late,
I'm gonna prove it to you.
Too late,
I'll do what you want me to do.
Too late,
You can't run anymore
Cos' it's too late for you now.

My heart is burning
An' the fire is hot,
My temperature is rising, rising, rising
I'm ready to rock.

All or nothing
I'm gonna make you see,
I've made up my mind, for sure, this time
You're gonna spend the night with me.
So don't try running away,
You know you get nothing that way.
'Cos it's too late,
I'm gonna prove it to you.
Too late,
I'll do what you want me to do.
Too late,
You can't run anymore
'Cos it's too late for you now.

(Solo)

So don't try running away,
You know you get nothing that way.
'Cos it's too late,
I'm gonna prove it to you.
Too late,
I'll do what you want me to do.
Too late,
You can't run anymore
'Cos it's too late for you now.

Too late,
I'm gonna prove it to you.
Too late,
I'll do what you want me to do.
Too late,
You can't run anymore
'Cos it's too late for you now...
