You never call me, babe,  
Until your man is gone,  
I know it's you  
When I pick up the  
telephone.  
You ask me how I am  
And if I'm doing well,  
When all you want from  
me  
Is just to ring your bell.  
Take your time, we can  
do some lines,  
'Cos it's alright.  
We can feel fine drinking  
midnight wine,  
'Cos it's alright.  
Black and blue, black  
and blue,  
I said come over here,  
baby,  
And love me till I'm  
black and blue.  
You got the key to love  
Dressed in your innocent  
smile,  
You know you touched  
me baby,  
So won't you stay for a  
while.  
And take your time, we  
can do some lines,  
'Cos it's alright.  
We can feel fine drinking  
midnight wine,  
'Cos it's alright.  
Black and blue, black  
and blue,  
I said come over here,  
baby,  
And love me till I'm  
black and blue.  
Black and blue, black

and blue,  
I said come over here,  
baby,  
And love me till I'm  
black and blue.

(Solo)

Take your time, we can  
do some lines,  
'Cos it's alright.  
We can feel fine drinking  
midnight wine,  
'Cos it's alright.

Black and blue, black  
and blue,  
I said come over here,  
baby,  
And love me till I'm  
black and blue.

Black and blue, black  
and blue,

I said come over here,  
baby,  
And love me till I'm  
black and blue.

I said come over here,  
baby,  
And love me till I'm  
black and blue.

She's A Woman  
She got everything I  
need,  
She makes me smile, she  
makes me bleed.  
'Cos she's a woman.

She got the end, she got  
the means,  
She's in my heart and in  
my dreams  
An' it makes me cry. I  
wanna make her mine.  
She ain't black, but, she  
got soul,  
She ain't young, she ain't  
old,  
She shine like silver, burn  
like gold.  
'Cos she's a woman,  
she's a woman.

She got everything I  
need,  
She got comfort, she got  
speed.  
She's a woman, she's a  
woman.  
She do me bad, she do  
me good,  
She got the Gypsy in her  
blood.  
Cos' she's a woman,  
she's a woman.  
She ain't black, but, she  
got soul,  
She ain't young, she ain't  
old,  
Shine like silver, burn  
like gold.  
She's a woman, she's a  
woman.  
She got a fire in her eyes,  
I know she sees through  
all my lies,  
'Cos she's a woman,  
she's a woman.  
I know I'm the danger  
zone  
If I leave her all alone.  
'Cos she's a woman,  
she's a woman.  
She ain't black, but, she  
got soul,  
She ain't young, she ain't  
old,  
Shine like silver, burn  
like gold.  
She's a woman, woman,  
She's a woman, she's a  
woman.  
(Solo)  
She's a woman, woman,  
She's a woman.  
She got everything I  
need,  
She make me smile, she  
make me bleed.  
She's a woman, she's a  
woman.  
She got the end, she got  
the means,  
She, make me shiver in

my jeans.  
'Cos she's a woman,  
she's a woman.  
She ain't black, but, she  
got soul,  
She ain't young, she ain't  
old  
She shine like silver, burn  
like gold.  
'Cos she's a woman,  
she's a woman.  
She's a woman...
