The sky is red, I don't understand,
past midnight I still see the land
People are sayin' the woman is damned,
she makes you burn with a wave of her hand.
The city's a blaze, the town's on fire.
The woman's flames are reaching higher.
We were fools, we called her liar.
All I hear is - "Burn!"

I didn't believe she was devil's sperm.
She said, "Curse you all, you'll never learn!
When I leave there's no return."
The people laughed till she said, "Burn!"
Warning came, no one cared.
Earth was shakin', we stood and stared.
When it came no one was spared.
Still I hear - "Burn!"

You know we had no time,
we could not even try.
You know we had no time.

You know we had no time,
we could not even try.
You know we had no time.

Coming out of nowhere
Driving like rain
Stormbringer dance
On the thunder again
Dark cloud gathering
Breaking the day
No point running
Because it's coming your way

Ride the rainbow
Crack the sky
Stormbringer coming
Time to die
Got to keep running
Stormbringer coming

The sky is red, I don't understand,
past midnight I still see the land.
People are sayin' the woman is damned,
she makes you burn with a wave of her hand.
Warning came, no one cared.
Earth was shakin, we stood and stared.
When it came no one was spared.

Still I hear - "Burn!"
