I've been feeling sentimental  
In a melancholy way,  
Blues sitting on my shoulder,  
Getting heavier everyday...  
Staring into space  
One thing on my mind,  
I've been trying to drown  
The thought of you  
By drinking too much wine...

Then my imagination  
Starts running wild,  
I snap my fingers  
And you're there by my side...

Can't go on without your love,  
There's no song without your love...  
Ain't no reason, ain't no rhyme,  
Without your love I'll go out of my mind...

Been getting too lazy,  
Letting myself go,  
Feeling like a refugee  
No one cares for anymore..  
Endless lonely days,  
I just try to get through  
And there's no escape,  
Even when I sleep.  
'Cause all I dream is you...  
Then my imagination  
Gets the better of me,  
'Cause you're everywhere I go,  
In everything I see...

I can't go on without your love,  
There ain't no song without your love...  
There ain't so reason, there ain't no rhyme,  
Without your love  
I'll go out of my mind...

You make me dance,  
You make me sing,

When I'm with you  
I can do anything...  
When I'm cold.  
You keep me warm...  
And give me shelter  
From the howling storm

There ain't no reason, there ain't no rhyme,  
Without your love  
I'll go out of my mind...

Can't go on without your love,  
There's no song without your love...  
There ain't no reason, there ain't no rhyme,  
Without your love  
I'll go out of my mind...
