## "Carry Your Load"

I take what I want,  
And I got my eye on you.  
It's late in the evening  
What are you gonna do.

I got the place,  
If you got the time,  
I got the motion, baby,  
If you got the mind.

So wise man tell me  
What it means to give and take,  
It's double trouble,  
But, it can ease a little heartache.

So you can carry your load  
Down the long, winding road.  
Carry your load, down the long, winding road.

All I'm asking, all I wanna do is just  
Put a little love in your heart,  
Put a little love in your heart.

I know what I want,  
And it's close to the bone.  
Sooner or later, baby,  
I'll be taking you home.

You got the cool,  
But, you give me the heat.

You got the music, baby,  
But, you give me the beat.

So wise man tell me  
What it means to give and take,  
It's double trouble,  
But, it can ease a little heartache.

So you can carry your load  
Down the long, winding road.  
Carry your love,

Down the long, winding road.

All I'm asking, all I wanna do is just  
Put a little love in your heart.

(Solo)

Wise man tell me  
What it means to give and take,  
It's double trouble,  
But, it can ease a little heartache.

So you can carry your load  
Down the long, winding road.  
Carry your love  
Down the long, winding road.  
You got to carry your load  
Down the long, winding road...
