I get so confused
But my heart knows you're one of a kind
Leather an' lace, an angels face
Riding on a one track mind
You're fully loaded with cruise control
My four wheels rock with your back seat roll

You're cheap an' nasty
All you wanna do is give it up, give it up
Cheap an' nasty
Come on an' do the dirty with me

I get so excited, babe when I'm invited
To ride in your Limousine
You drive it everyday, burn it every night
I wonder how you keep it so clean
Smooth accelerator, you get me so loose
You keep your motor running till I run out of juice

You're cheap an' nasty
All you wanna do is give it up, give it up
Cheap an' nasty
Come on an' do the dirty with me

(Cheap an' nasty)
I never knew it could be this way
(Cheap an' nasty)
An' I never thought I'd ever complain
(Cheap an' nasty)
But gimme a second just to catch my breath
(Cheap an' nasty)
Babe, before you do it again
(Cheap an' nasty)

All the boys call your name
Down the wishing well
Baby, when you go
You're like a cat out of hell

You're cheap an' nasty
All you wanna do is give it up, give it up
Cheap an' nasty

All you wanna do is give it up, give it up
Cheap an' nasty
All you wanna do is give it up, give it up
Cheap an' nasty
Come on an' do the dirty with me

Come on an' do the dirty
Come on an' do the dirty
Come on an' do the dirty with me
Come on an' do the dirty with me
