Are you woman enough
To take a man like me,
Baby, I know what you got
You make it easy to see.

Now I wanna give you my loving
Believe me, babe, it's true,
Maybe more than you bargained for,
But, now it's up to you.

So if you want it, come an' get it,
I got something for you.
If you want it, come an' get it,
I'll leave it up to you.

Are you a women who takes
Anything you want,
Or the kind who says that you do
Then tell me later you don't.

Now I wanna give you my loving
I knew the moment we met,
You gotta take me as you find me, baby,
'Cos what you see is what you get.

So if you want it, come an' get it,
I got something for you.
If you want it, come an' get it,
I'll leave it up to you,
It's right to you baby.

(Solo)

Are you woman enough
To take a man like me,
Baby, you know what I got
I make it easy to see.

So if you want it, come an' get it,
I got something for you.
If you want it, come an' get it,

I'll leave it up to you...
