My mama showed me how to rock in the cradle,
But I learned how to roll along.
My papa said "son, gotta git some fun,
Cos when your old it ain't too good on your own"
Been so long, since you heard my song
Gonna pick up my guitar 'n' play
Felt so bad when I had to leave you
But I knew that I'd be back some day

So I'm comin' home
To give you more than you bargained for...
Comin' home
No mistake I'm gonna shiver 'n' shake...
Comin' home
Gonna rock 'n' roll an' give you my soul...
Comin' home
I got over the pain I'm comin' home again...

Groovin to American Bandstand,
B.B. onstage with 'Lucille',
The thrill is gone, but, it won't be for long
Cos you know I like to play how you feel
Now that we're back together
Gonna shiver 'n' shake all night
I just gotta say the music I play
Will sure enough make you feel alright

Tho I learned how to rock in the cradle
An' rollin' came so easy to me
All the years I travelled the world
Made it so clear to see
It's been so long since you heard my song
Gonna pick up my guitar 'n' play
Felt so bad when I had to leave you
But I knew that I'd be back some day

Comin' home
To give you more than you baragained for
Comin' home
No mistake I'm gonna shiver and shake
Comin' home
Gonna rock 'n' roll and give you my soul

Comin' home
I got over the pain I'm comin' home again
Comin' home
Shiver 'n' shakin' anticpatin'
Comin' home
The thrill is gone but it won't be for long
