Fly like an eagle,
An outlaw of the sun,
Stealing 'round your
bedroom door
A case of hit 'n run.
Sinner, sinner,
I'm no angel you can see.
So I will tell you now
And I won't say it again,
Don't mess with me
Oh baby, don't mess
with me.
Ride like a demon,
The devil's only son.
A whiskey drinking son
of a bitch,
I've only just begun.
Sinner, sinner,
I'm no angel you can see.
I told you once before
And I won't say it again,
Don't mess with me,

Don't mess with me.
(Solo)
Soothe me baby like I
soothe you,
Treat me baby like I
treat you.
Soothe me baby like I
soothe you,
Treat me baby like I...
Fly like an eagle
An outlaw of the sun,
Never take what sleeps
around
But, always get your fun.
Sinner, sinner,
You're no angel I can
see.
I told you once before
And I won't say it again,

Don't mess with me,
Don't mess with me.
'Cos I'm a sinner
And sinners ain't the
loving kind.
