Head on down the
highway
Across the county line,
I've had my fill of small
town thrills
Gonna leave it all behind.
Free flight, free flight.
I'm careless in my loving,
Shameless in my style,
If I get caught by the
short 'n curlies
I'll just hide out for
awhile.
Free flight, free flight.
On an' on the road goes
on
It'll go on forever,
An' just the same I'll live
my life,
Hell bent for leather.
Free flight, free flight.
Heaven knows it's
driving me crazy,
It's a feeling inside.
Heaven knows it's in my
blood
As long as I try, I just
can't deny.
Free flight, come
tomorrow dawn you'll
find me gone.

Free flight, make no
bones about it, I'm
moving on.
Free flight, free flight,
free flight.
Free flight, free flight,
free flight.
Head on down the
highway
Suitcase in your hand,

When you get down with
your feet on the ground
I know you'll understand.
Free flight, free flight.
Heaven knows it's
driving me crazy,
It's a feeling that's driving
me wild.
Heaven knows it's in my
blood,
Fool if you try, you just
can't deny.
Free flight, come
tomorrow dawn you'll
find me gone.
Free flight, make no
bones about it, I'm
moving on.
(Solo)
Free flight, free flight,
free flight...
