I've been a gypsy
For a thousand years.
A victim of circumstance.
I go wherever my destiny calls.
I'm caught in a game of chance.

I stand on the outside
Looking at love.
I wanna get inside.
I stand on the outside
Looking at love.
Just trying to get inside.

No fame or fortune,
No luck of the draw.
When I dance with Queen of Hearts.
A jack of all trades.
But, a loser in love.
It's tearing my soul apart.

Still I stand on the outside
Looking at love.
I wanna get inside.
I stand on the outside
Looking in.

I stand on the outside
Looking at love.
Just trying to get inside.
I stand on the outside
Looking in.

I'm victim of circumstance.

So I stand on the outside

Looking at love
I wanna get inside.
I stand on the outside
Looking in.
So I stand on the outside
Looking at love
Just trying to get inside.
I stand on the outside
Looking in...
