I have never known a woman
Who loves me like you do
You treat me like a dog
And make me shake my tail for you

I know the game you're playing
When you're turning all your tricks
It's written on your face
You just want your business fixed

No, I don't need a crystal ball
To see what's in your mind
If I don't give you what you want
You treat me so unkind

But if I'm good and give you love
You throw me down a bone
But if I'm bad you make me sad
And leave my love alone

Pretty little crazy white girl
Just a pretty little crazy white girl
Pretty little crazy white girl
Girl, girl

Pretty little crazy white girl
I know, baby, you ain't fooling
With all your high class schooling
You want everything your own way

If I could, I would
Do every little thing
A good man should
Baby, I'd really give it to you every day

Pretty little crazy white girl
Just a pretty little crazy white girl
Pretty little crazy white girl
Girl

Mean mistreater
There ain't no one to beat you

But you treat me so bad

I've never known a woman
Who loves me like you do
You treat me like a dog
And still I shake my tail for you

Pretty little crazy white girl
Just a pretty little crazy white girl
Pretty little crazy white girl
Girl, girl

Pretty little crazy white girl
Girl, she treat me so bad
Pretty little crazy white girl
Girl, come on, baby

Pretty little crazy white girl
I love the way you make me
Girl, pretty little crazy white girl
Girl, pretty little crazy white girl
