When I first saw you baby
You took my breath away,
I knew your name was Trouble
But, my heart got in the way
I couldn't stop myself from reaching out,
I could not turn away

I don't even know your name
An' I can't leave you alone,
I'm running round in circles
Like a dog without a bone
I know the game you're playing

But, baby I just can't let go

So give me all your love tonight,
Give me all your love tonight
I'll do anything you want
Just give me all of your loving tonight

I'll work hard everyday
To love and treat you right.
I'll rock you in the morning
And roll you in the night.
Any way you want
I'm gonna prove my love for you.

So give me all your love tonight,
Give me all your love tonight
I'll do anything you want,
Just give me all of your loving tonight, tonight,
tonight!–
So give me all your love tonight,
Give me all your love tonight
I'll do anything you want,
Just give me all of your loving tonight

So give me all your love tonight,
Give me all your love tonight
I'll do anything you want,
Just give me all of your loving tonight

I am blinded by your smile
And I'm crazy about your walk
I shiver and I shake
When I hear you baby talk
I'm a fool for your loving babe,
Give me all your loving tonight

So give me all your love tonight,
Give me all your love tonight
I'll do anything you want,
Just give me all of your loving tonight

Anything you want from me

So give me all your love tonight,
Give me all your love tonight
I'll do anything you want,
Just give me all of your loving tonight, tonight, tonight
