I keep hangin' on the promise of love
Your eyes tell me that I'm gonna see.
I feel the hunger like a starving man
Honey, when you stand close to me.

I start to shiver, I start to shake,
Chills up an' down my spine,
I'm in the mood for action
In need of satisfaction,
Babe, I'm gonna make you mine.

Now I believe in you,
An' everything that you do.
'Cos I'm hungry for love,
I'm hungry for love, I'm hungry for love,
I can't get enough, I can't get enough, I can't get
enough.

I've got the weakness of an ordinary man
I need the comfort of womanly mind,
But, I get nervous when I think about
So many women an' so little time.

But, I believe in you,
An' everything you do.

'Cos I'm hungry for love,
I'm hungry for love, I'm hungry for love,
I can't get enough, I can't get enough, I can't get
enough.

(Solo)

I start to shiver, I start to shake,
Chills up an' down my spine,
I get so nervous when I think about
So many women an' not enough time.

But, I believe in you,
An' everything that you do.
'Cos I'm hungry for love,
I'm hungry for love, I'm hungry for love,

I can't get enough, I can't get enough, I can't get
enough.
I'm hungry for love, I'm hungry for love, I'm hungry for
love,
I can't get enough, I can't get enough, I can't get
enough,
I can't get enough, I can't get enough, I can't get
enough.

I'm hungry for love.
