Hear me Knocking  
On Your Door  
Can't Help Myself  
I keep coming back for more  
I'm begging You  
Let me Stay  
I want you so bad  
Babe, I can't keep away

I'm on fire  
You got my love  
Burning higher and higher  
So Baby, Baby please...

I need You  
To Shine a light  
I need you  
To Hold me tight  
I need You  
To shine a light  
Bringing me home again...

You got got class  
You got Style  
With all Your tricks  
Babe, you're so versatile....  
So much more  
That one man can claim  
You pull me in  
Like a moth to a flame...

I'm on fire  
You got my love

Burning higher and higher  
So Baby, Baby please...

I need You  
To Shine a light  
I need you  
To Hold me tight  
I need You

To shine a light  
Bringing me home again...

I need You  
Baby, Baby please  
I need You  
Shine a Light for me  
I need you  
Shine a light for me  
Baby, baby, Baby, please....

I need You  
To shine a light  
I need you  
To hold me tight  
I need you  
To shine a light  
I need You  
To shine a light  
I need you  
To hold me tight  
I need you  
To shine a light

Bringing me home again  
Bringing me home again
