I don't care if my lady's gone  
as long as you give me just what I want  
I've been losin' my direction,  
got to find a new connection

You have wasted the love I tasted,  
now I'm really gettin' hungry more and more  
Been a long time, had a bad sign  
Tell me what am I fighting for?

Let me know you feel it,  
you know I really need it  
Keep on pushin' for more,  
lay down, stay down  
I got something to find,  
there's one thing I really need  
I'm gonna tell you right now,  
lay down, stay down

Lookin' for trouble, I guess that's right  
When I was young I was taught to fight  
It's been long gone since I had known,  
now I'm headin' for some more

Let me know you feel it,  
you know I really need it  
Keep on pushin' for more,  
Lay down, stay down  
I got something to find,  
there's one thing I really need  
I'm gonna tell you right now,  
lay down, stay down

Let me know you feel it,  
you know I really need it  
Keep on pushin' for more,  
lay down, stay down  
I got something to find,  
there's one thing I really need  
I'm gonna tell you right now,  
lay down, stay down
