"Lie Down"

You got the smile of a monalisa,
Know it all an' giving nothing away.
You make the sins of a vestal virgin,
Look nothing more that a roll in the hay.

So lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care.

You give an air of the dolce vita,
Society's made a queen out of you.
Casanova couldn't take all your virtue,
But, rock 'n' roll is gonna steal it from you.

So lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care.

Come on, girl, it'll be alright,
Easy does it nice and slow.
Woah, you know, mama, that tonight's the night,
Come on and let your feelings show.
Take a look in the mirror,
Tell me what you see.
If it ain't sweet surrender
You can blame it on somebody, not the devil in me.

So lie down, I think I love you,
Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care.

(solo)

Take a look in the mirror,
Tell me what you see.
If it ain't sweet surrender
You can blame it on somebody, not the devil in me.

Lie down, I think I love you,

Lie down, I think I care.
Lie down, I think I love you,
Lie down, I think I care...
