I've been burning my bridges for too many years
Drowning the sorrow of too many tears
Women and whiskey are my only friends
One gives me strength and one just pretends

I've been waiting my whole life
For things to work out right
But those lonely days turn into lonely nights
Yes, they do

I've heard all the wisdom of prophets and seers
It don't soothe my passion and it don't ease my fears
Burned by love, blinded by snow
Bad luck and trouble are with me wherever I go

I've been waiting my whole life
For things to work out right
But those lonely days turn into lonely nights

Lonely days, lonely nights
Lonely days, lonely nights

Lonely days, lonely nights
Someday babe, it's gonna be alright
Lonely days, lonely nights
Someday babe, it's gonna be alright for me, for me

Lonely days, lonely nights
Someday babe, it's gonna be alright
Lonely days, lonely nights
Someday babe, it's gonna be alright

Lonely days, lonely nights
Someday babe, it's gonna be alright
Lonely days, lonely nights
Someday babe, it's gonna be alright

Lonely days, lonely nights
Someday babe, it's gonna be alright
Lonely days, lonely nights
Someday babe, it's gonna be alright

Lonely days, lonely nights
Someday babe, it's gonna be alright
Lonely days, lonely nights
Someday babe, it's gonna be alright
