I'm tired of waiting  
An' closing my eyes  
I'm asking myself  
Why is it all my horizons  
Are so far away

I look in the mirror  
Don't like what I see  
In my reflection  
A stranger is staring at me  
Looking for love

The love of a woman  
The needs of a man  
And I try so hard to believe  
But I don't understand  
The search goes on

But over the mountains  
Across the sea  
I know love is waiting  
I hear it calling to me  
Calling my name

I'm looking for love all around me  
Looking for love to surround me  
The love that I need  
To rescue the state of my heart, yeah

Alone again, it's always the same  
Well, I've just been marking my time  
Since the day I was born  
With no one to blame

The candle is burning  
It's way down low  
I just need someone  
To show me the way  
The way to go, which way to go

I'm looking for love all around me  
Looking for love to surround me

The love that I need  
To rescue the state of my heart

I'm looking for love  
An' finding only heartache  
I'm looking for love  
An' finding only heartache

I'm looking for love to rely on  
Looking for love, a shoulder to cry on  
I'm looking for love  
To rescue the state of my heart  
To rescue the state of my heart

I'm looking for love  
An' finding only heartache  
I'm looking for love  
An' finding only heartache

I'm looking for love to rely on  
Looking for love, a shoulder to cry on  
I'm looking for love  
To rescue the state of my heart

I'm looking for love  
An' finding only heartache  
I'm looking for love  
An' finding only heartache

I'm looking for love to rely on  
Looking for love, a shoulder to cry on  
I'm looking for love  
To rescue the state of my heart

To rescue the state of my heart  
To rescue the state of my heart  
To rescue the state of my heart
