Well, I love the way you
walk
With your skin tight
stride,
You got my eyes wide
open
An' my loose tongue
tied.
A French kiss mouth
An' a smile so bad,
You're the finest woman
That I ever had.
So it's alright,
Do anything you wanna
do.
Nobody had to tell you
How to make a man's
heart bleed,
Your mama always
knew
You was born to
succeed.
I can see the honey
juice
Dripping off your lips,
Girl, you got the Midas
Touch
It's in your fingertips.
But it's alright,
Do anything you wanna
do.
'Cos after midnight, I'll
be alright
Riding on Cupid's train,
You give me loving, like
I've never had before,
I'm back in the saddle
again.
So give me love an'
affection,
Love an' affection.
A little love an' affection

Sure 'nuff goes a long,
long way.
You put your arms
around me
Like a circle 'round the
sun,
Your eyes turn on the
hypnotising game
You play for fun.
I'm caught in your spell

Just like the spider an'
the fly,
An' I can't break away
from you
No matter how I try.
But, it's alright,
Do anything you wanna
do.
'Cos after midnight, I'll
be alright
Riding on Cupid's train,
You give me loving, like
I've never had before,
I'm back in the saddle
again.
So give me love an'
affection,
Love an' affection.
A little love an' affection
Sure 'nuff goes a long,
long way.
(Solo)
'Cos after midnight, I'll
be alright
Riding on Cupid's train,
You give me loving, like
I've never had before,
I'm back in the saddle
again.
So give me love an'
affection,
Love an' affection.
A little love an' affection
Sure 'nuff goes a long,
long way.
Love an' affection.
A little love an' affection
Baby, baby, love an'
affection.
Sure 'nuff goes a long,

long way.
Love, love, love.
Love, love, love.
I need love an' affection,
Sure 'nuff goes a long,
long way.
