I've spent close on sixteen years  
Watching your pretty flower grow  
Little girl, little girl, now tell me  
Everything you know

About the oceans and the skies  
The mountains and the trees  
And then I'm gonna tell you about  
The birds and the honey bees

I'm a love man  
Yeah, yeah, yeah  
I'm a love man

I'm a hootchie cootchie man  
And I'm doing all I can  
I just love to tease  
I would do anything to please you baby  
Yeah, yeah

Sweet little angel, give me your hand  
Feel for my heartbeat baby  
Then you'll understand

About the bees and the honey  
The bluebirds in the trees  
And you know just to get close to you  
I would get down on my knees

I am a love man  
Yeah, yeah, yeah  
I am a love man  
That's what I am

I'm a hootchie cootchie man  
And I'm doing all I can  
I could love to squeeze  
I would do anything to please you baby

Baby, I am a love man  
Yeah, yeah, yeah  
I am a love man

That's what I am

I'm a hootchie cootchie man  
Doing all I can  
I just love to tease  
I would get down on my knees  
Oh yeah

Just for you baby  
Alright now, take it down

So come a little closer  
Let me whisper in your ear  
How the good Lord in his wisdom  
Made you so and put you here

He played a little game  
Called the apple and the snake  
When the lady took her first sweet bite  
The snake made no mistake

He was a love man  
Yeah, yeah, yeah  
And I am a love man  
I'm a hootchie cootchie man

And I'm doing all I can  
'Cause a love man needs his loving everyday  
Yeah, yeah, yeah  
I am a love man
