"MIDNIGHT BLUE"

In the cold light of the morning
I watch the sunrise slowly downing
I close my eyes and I see you there
and the silence takes my breath away
I can't stand to face another day
in the evening when the sun goes down
I reach out for you but you're not around
you color my world midnight blue
so what's a man like me to do
with all the love I feel for you

Came and take me midnight blue
here I'm waiting for you
when I'm trouble and all alone
you shine down on me
when I need sympathy

Under street lights I walk alone
hiding in shadows from dusk to dawn
the taste of your perfume
on the cold night air
leaves a sadness hanging over me
the thought of you won't let me be

Came and take me midnight blue
here I'm waiting for you
when I'm trouble and all alone
you shine down on me
when I need sympathy
