You changed your reason
With a wave of your hand
Fill me with wonder like a child
Cause you never understand

It's a son of it stays the same
When it's over
It's a crime to deny
When it's gone

Cause you're only fooling yourself
And nobody else

It's a sin to carry, ton (?)

If you want to meet her later
You whisper my name
I say I never want to use you for your love
But you come in and make it the same

It's a son of it stays the same
When it's over
It's a crime to deny
When it's gone

Cause I'm a man
A peace lovin' man
I'm so blind to
Hold it inside
While I feel border line
Peace lovin' man

Oh peace lovin' man, peace lovin' man

(Break)

It's a son of it stays the same
When it's over
It's a crime to deny
When it's gone

Cause I'm man
Baby I'm a man
Peace lovin' man oh
I'm a peace lovin' man baby I'm a man
I'm a peace lovin' man I can't use you anymore
I'm a peace lovin' man babe I'm a man

Peace lovin' man
