She was the keeper of
all my reason,
Possessor of all I
owned,
She kept me on the
edge of darkness
With words as cold as
stone.
Then you came along,
Your eyes were flashing
with desire,
Oh babe, you got me
burning, so much
You got my soul on fire.
Honey, you move me,
You got me so I can't
sleep at night,
You tell me you believe
in me,
And you say you're
gonna treat me right.
You gave me the
answer,
I knew right from the
start.
I'm gonna tell you, holy
roller,
They say that love's a
gamble,
But, I got the Queen of
Hearts.
If I could touch the
crystal silence
That we have after
making love,
Just to tell you I need
you here
In the glow of the stars
above.
If you ever leave, or
deceive,
Or fool around,

You could be right,

You could be wrong,
But, woman, I know I'll
miss you

When you're gone.

Honey, you move me,
Like the wind thro' a
willow tree.

Ain't no doubt about it,
baby,

You make the blindman
see.

You gave me the
answer,

I knew right from the
start.

I'm gonna tell you, holy
Roller,

They say that love's a
gamble,

But, I got the Queen of
Hearts.

You drive me crazy
when you walk,

Crazy when you talk,
Crazy when you walk
with me.

You gave me the
answer,

I knew right from the
start.

I'm gonna tell you, holy
roller,

Gonna tell you, holy
roller,

You're the Queen of
Hearts.

(Solo)

You gave me the
answer,

I knew right from the
start.

I'm gonna tell you, holy
roller,

You're the Queen of
Hearts...
