Get ready for Judgment Day
An' the final curtain call
Don't lie when you testify
'Cos the Good Lord knows you all

Saints an' sinners, priests an' thieves
Saints an' sinners, priests an' thieves

Moses stood on the Red Sea shore
Laying the Law on the line
He said, "Don't come knocking on the Pearly Gates
If all you did was have a real good time"

Saints an' sinners, priests an' thieves
Saints an' sinners, priests an' thieves

For what we are about to receive
May the Lord make us truly thankful

Saints an' sinners

I stand guilty of a thousand crimes
An' I suffer temptation still
Show me a man who won't give it to his woman
I'll show you somebody who will

Saints an' sinners, priests an' thieves
Saints an' sinners, priests an' thieves, come on

For what we are about to receive
May the Lord make us truly thankful

Saints an' sinners
Saints an' sinners, priests an' thieves

Get ready for Judgment Day
An' the final curtain call
Don't lie when you testify
The Good Lord knows you all

Saints an' sinners, priests an' thieves
Saints an' sinners, priests an' thieves

For what we are about to receive
May the Lord make us truly thankful

Saints an' sinners, priests an' thieves
Saints an' sinners, saints an' sinners
Saints an' sinners, saints an' sinners
Saints an' sinners, saints an' sinners
