If I could see before my time ends  
The smile you gave me before the pain  
I could accept this world of darkness  
Never ever to see the sun again

Never ever gonna leave ya  
Dry your eyes and smile again  
See the world and I need to hear  
Say you love me, say you love me  
That you need me  
I can't take this anymore  
But I know I must be strong  
To keep believing right or wrong  
I've got time but I can't wait too long  
Want to get you home where you belong

Say you love me, say you love me  
I can't take it anymore  
Say you love me, baby, baby, baby  
Say that you need me, I can't take it anymore

Say you love me, say you love me  
I can't take it anymore  
Say you love me, baby, baby, baby  
Say that you need me, I can't take it anymore
