You keep on
pushing, babe,
Like I've never
known before.
You know you
drive me crazy,
child,
An' I just wanna
see you on the
floor.
I wanna
superstitious
woman
An' she got a
superstitious
mind.
I can't see you,
baby,
I can't see you
anymore, no
more.
You keep on
loving me
Like I've never
known before.
I wanna
superstitious
woman
With a
superstitious, a
superstitious
mind, an' I don't
mind, baby.
My heart is
beating faster,
babe,
It's beating like a
big bass drum.
You know you
got me speeding,
child,
Faster than a

bullet from a
gun.
You're a
superstitious
woman
An' I got a
superstitious
mind, an' I don't
care.
So take me
down slow an'
easy,
Make love to
me slow an'
easy.
I know that hard
luck an' trouble
Is coming my
way,
So rock me 'til

I'm burned to
the bone,
Rock me 'til I'm
burned to the
bone.
I don't care
about, oh,
I don't care
about love, no
more.
The way you
keep abusing me
Oh, I can't take
no more.
I wanna woman
She got a
superstitious
mind.
So take me
down slow an'
easy,
Make love to
me slow an'
easy.
I know that hard
luck an' trouble
Is coming my
way,
So rock me 'til
I'm burned to

the bone,
Rock me 'til I'm
burned to the
bone,
Rock me 'til I'm
burned.
(Solo)
So take me
down slow an'
easy,
Make love to
me slow an'
easy.
Take me down
slow an' easy,
Rock me 'til I'm
burned to the
bone.
Take me down
slow an' easy,
Make love to
me slow an'
easy.
I know that hard
luck an' trouble
Is coming my
way,
So rock me 'til
I'm burned to
the bone...
