You know the joint was jumpin'
Like a dancing fool
I saw you standin' in the corner
Lookin' oh, so cool
I had a word with the DJ
To make the music hot
I'm gonna get you on the dance floor
If you're ready or not

Slow poke music
I'll get you down to the bone
Slow poke music
I'll never leave you alone, I'll never leave you

When you move it to the left
Or you shake it to the right
No matter what you do, babe
It's like dynamite
With your sweet French perfume
An' that criminal walk
Ooh, you melt my ice-cream
With that body talks

Slow poke music
I'll get you down to the bone
Slow poke music
I'll never leave you alone, I'll never leave you
You don't leave her alone

I'm gonna shake you down
Girl, I won't do you no harm

And you move so fast
(Fast)
Like steppin' on grass
When you give me that smile
I see the lightnin' flash
East and West, North and South
Oh, babe, you're so hot
I'm gonna melt in your mouth

Slow poke music

I'll get you down to the bone
Slow poke music
Get into it, babe

Slow poke music
I'll nail it down to the bone
Slow poke music, yeah

Baby, baby, baby, baby
Girl, I'll never leave you alone
Never alone, never alone
I'm going to skin it right to the bone for you, baby
