Every time I see my
baby home,
I wanna kiss a little
better so I get stoned.
Gonna spread her pretty
legs so I can see,
Sweet lip honey be the
death of me
And I will discover
you'll be my midnight
lover,
Oh babe, bring it on
home to me.
Sometimes when I'm
feeling low,
I go looking for a lover
where the bad girls go.
Sorry little girl, If you
can't stay,
Your red light mama
gonna show the way.
And then a certain
madness,
Will 'crease my heart
with sadness
Oh babe, bring it on
home to me.
Take me with you I will
give you anything a
woman needs,
Take me with you I will
give you anything a
woman needs.
I know love and what it
means,
It's a skinny little girl in
tight ass jeans.
I love to hear'em moan
and cry,
'Cos God made men to
satisfy.
And with the fire

returning,
I feel the fever burning
Oh babe, bring it on
home to me.
Take me with you I will
give you anything a
woman needs,
Take me with you I will
give you anything a
woman needs.
Oh, take me with you.
