When I saw you in the
Garden
Sweet lilac in your hair,
The sunlight seemed to
surround you
And bless the morning
air.
I wondered what your
name was
And if you would dance
with me,
I heard you cry for
mercy
But, my eyes they could
not see.
'Cos the time is right for
love,
The time is right for love,
You can pray to the
Lord above
But, the time is right for
love.
So much for all your
sweet words,
All that you said you
would do.
Remember all my love
songs,
They were promises to
you.
But, I don't hold it
against you,
I know you're not to
blame
So draw your circle
around me
And we'll put all your
lovers to shame.
'Cos the time is right for
love,
The time is right for love,

You can pray to the
Lord above
But, the time is right for
love.
(Solo)
'Cos the time is right for
love,
The time is right for love,
You can pray to the
Lord above
But, the time is right for
love...
