## "Walking In The Shadow Of The Blues"

I love the blues,  
They tell my story,  
If you don't feel it you  
can never understand.  
So many times I thought  
about it  
And now I know just  
what it means to be a  
man.  
Everyday I realize you  
can see it in my eyes  
I never wait, or hesitate.  
'Cos I love the life I live,  
I'm gonna live the life I  
choose,  
You gotta understand  
I'm walking in the  
shadow of the blues.  
All of my life I've had a  
strange reputation,  
I've been the black  
sheep of the family all  
along.  
I never know if in my  
heart I'm really guilty  
But, I've been accused  
of never knowing right  
from wrong.  
Everyday I realize you  
can see it in my eyes  
I never wait, or hesitate.  
'Cos I love the life I live,  
I'm gonna live the life I  
choose,  
You gotta understand  
  
I'm walking in the  
shadow of the blues.  
My father said you're  
crazy,  
He said what you gonna  
do.

I left with my guitar and  
said  
I'll leave it up to you.  
I'm gonna live the life I  
love  
And live the life I  
choose,  
And I'm walking in the  
shadow of the blues.  
(Solo)  
Everyday of my life.  
I love the blues,  
They tell my story,  
If you don't feel it I will  
tell you once again.  
All of my life I've been  
caught up in a crossfire,  
'Cos I've been branded  
with the devil mark of  
cain.  
Everyday I realize you  
can see it in my eyes  
I never wait, or hesitate.  
'Cos I love the life I live,  
I'm gonna live the life I  
choose,  
You gotta understand  
I'm walking in the  
shadow of the blues.
