I love the blues,
They tell my story,
If you don't feel it you can never understand.
So many times I thought about it
And now I know just what it means to be a man.

Everyday I realize you can see it in my eyes
I never wait, or hesitate.
'Cos I love the life I live,
I'm gonna live the life I choose,
You gotta understand
I'm walking in the shadow of the blues.

All of my life I've had a strange reputation,
I've been the black sheep of the family all along.
I never know if in my heart I'm really guilty
But, I've been accused of never knowing right from
wrong.

Everyday I realize you can see it in my eyes
I never wait, or hesitate.
'Cos I love the life I live,
I'm gonna live the life I choose,
You gotta understand
I'm walking in the shadow of the blues.

My father said you're crazy,
He said what you gonna do.
I left with my guitar and said
I'll leave it up to you.

I'm gonna live the life I love
And live the life I choose,
And I'm walking in the shadow of the blues.

(Solo)

I love the blues,
They tell my story,
If you don't feel it I will tell you once again.
All of my life I've been caught up in a crossfire,

'Cos I've been branded with the devil mark of cain.

Everyday I realize you can see it in my eyes

I never wait, or hesitate.

'Cos I love the life I live,

I'm gonna live the life I choose,

You gotta understand

I'm walking in the shadow of the blues,

I'm walking in the shadow of the blues.
