Well it's five in the
morning
When will you be home,
I'm tired of waiting here
baby
All on my own.
All I got for comfort is
some cheap red wine
But, the thought of what
you're doing gives me no
peace of mind.
You 'n' me, it's got to be
just you 'n' me,
Can't you see, baby
Can't you see what
you're doing to me.
I know those page three
girls
In the playboy books,
Ain't got nothing on you
In the way that you look
But, an eye for an eye
A tooth for a tooth
When you get home
You better give me some
truth.
Tell me no lies
When I ask you the
questions,
Tell the truth
Your lies ain't gonna
make it no more.
Tell me no lies,
Baby you're no
exception to the rule,

Because I've heard it all
before
And babe believe me I
never forget.
You 'n' me, baby baby
Just you 'n' me,

Can't you see, baby
If you don't stop what
you're doing to me
I'm gonna do it to you.
(Solo)
Tell me no lies
When I ask you the
questions,
Tell the truth
Your lies ain't gonna
make it no more.
Tell me no lies,
Baby you're no
exception to the rule,
Because I've heard it all
before
And babe believe me I
never forget.
You 'n' me, baby baby
Just you 'n' me,
Can't you see, baby
Can't you see what
you're doing to me.
You 'n' me, baby baby
Just you 'n' me,
Can't you see, baby
If you don't stop what
you're doing to me,
I'm gonna do it to you.
