(Coverdale/Vandenberg)

I'm far from home,
And tired of this place,
I miss your good, good love
And your sweet embrace
Can't sleep at night
With you on my mind,
I just wanna run to you, baby,
Leave it all behind

'Cause it seems so long
Since I heard your song,
I'm coming home to you, baby,
Back where I belong

Your precious love,
That's all I need,
Angel spread your wings
And bring it on home to me

Sometimes in my life
I don't know what to do,
Tho' I'm weak for myself
I try to be strong for you.
You're there when I need you,
After all these years,
So I send you this letter, baby,
Written in tears

'Cause it seems so long
Since I heard your song,
I'm coming home to you, baby, baby,
Back where I belong

Your precious love,
That's all I need,
Angel spread your wings
And bring it on home to me

'Cause it seems so long
Since I heard your song,

I'm coming home to you, baby,
Back where I belong

Your precious love,
That's all I need,
Angel spread your wings
And bring it, bring it, bring on home

Your precious love, your precious love,
That's all that I need.
Angel spread your wings and
Bring it, bring it, bring on home
Bring it baby, baby, that's all I want.

Your precious love
Your precious love, that's all I need
Your precious love, your precious love
Your precious love, that's all I need
C'mon bring on home, baby
Won't you bring on home
I need your love...
