Here I lie
In a lost and lonely part of town
Held in time
In a world of tears I slowly drown

Goin' home
I just can't take it all alone
I really should be holding you
Holding you, loving you, loving you

Tragedy
When the feeling's gone and you can't go on
It's a tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you you're goin' nowhere

Tragedy
When you lose control and you got no soul
It's a tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you you're goin' nowhere

Er I med os inde i studiet?
Op med hÅnderne
Og til jer der hjemme, der skal ogsÅ vÅre lidt gang i
jer
Kom sÅ

Wooh

And burning love
With a yearning that won't let me be

Down I go
But I just can't take it all alone
I really should be holding you
Holding you, loving you, loving you

Tragedy

When the feeling's gone and you can't go on
It's a tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you you're goin' nowhere

Tragedy
When you lose control and you got no soul
It's a tragedy
When the morning cries and you don't know why
It's hard to bear
With no one to love you you're goin' nowhere

Aaaaaahh

Tragedy
