I sit alone, wondering where you  
My heart is numb, I'm afraid I've gone too far  
Don't know why I haven't got a clue  
It's very odd to be lonely next to you  
?  
And tell me where are you tonight

Let me know, let me inside  
And tell me where are you tonight  
Let me be the one to make it right  
Where are you tonight

Summer came and summer past  
But in my dreams I thought we'd make it last  
It's in your eyes as I watch them leave  
And it's a fact that I just cannot believe  
I got nowhere to run, no place to hide more  
Where are you tonight

Let me know, let me inside  
And tell me where are you tonight  
Let me be the one to make it right  
Where are you tonight

It's not that I go on and try  
Cause I have cried and I don't know why  
Why are you leaving me  
Why we can't be  
Ohh baby please

Yeaaahâ€!

I want you  
I need you  
And I love you  
Where are you tonight  
Let me be the one to make it right  
Where are you tonight

(I want you)  
Let me know

(I need you)  
Let me inside  
(And I love you)  
And tell me where are you tonight  
Let me be the one to make it right  
Where are you tonight

I want you  
I need you (yeeah)  
And I love you (yeah)  
Where are you tonight  
Let me be the one to make it right  
Where are you tonight
