*La la la la la la
La la la la la la
La la la la la la
La la la la la la (la la la)

*[Repeat]

I thought a little bit of you today
Look how I fancied up myself for you
So look a little bit at me today
You know you gotta try a little harder
So you can be m-m-m-my darlin'!

*[Repeat]

I thought a little bit of us today
I try my best to get to you somehow
So think a little bit of me today
You know you gotta show me that you love me
And baby be m-m-m-my darlin'!

Smile a little smile
Let's enjoy the moment now and just have a good time!
(A good time!)
Try it baby, good!
Just a little bit of love is gonna feel so fine.
Is it really true that you feel the same way too and hope
we'll be together?
Now you know that I love you! Love you! Love you love
you love you!
(Love you! Love you! Love you love you love you!!)

I looked up the meaning of
(Wa wa wa)
The funny word we call love
(Wa wa wa)
And then I wrote your name beside it with a little heart
above.
(Woo!)
If I would start to dream a dream
(Wa wa wa)

Would my dreams be what they seem?
(Wa wa wa)
All day long I lie and dream of me and you. And me.
And you and me and you!

*[Repeat x2]

I thought a little bit of you today
I sent the meaning over just for you
So drop a little note to me today
You know I need to hear you say you love me
Or will you just be m-m-m-m-my friend?

Tell me what you think and keep it sweet and simple
Baby, everything's okay
(Okaaay!)
Try it baby, try it!
Open up your heart and be honestly sincere.

Is it really true that you prefer it too we go a little
slower?
That's what makes you so cute! So
