throwing candy out to the crowd
dragging down the main
the helpless little thing with the dirty mouth who's
always got something
to say you're sitting at home now waiting for your
brother to call
i saw him down at the alley
having had enough of it all
said you can do what you want to whenever you want to
you can do what you want to there's no one to stop you
all spit and spite you're up all night and down every
day
a tired man with only hours to go just waiting to be
taken away
getting in to the back of a car for candy from some
stranger
watching the parade with pinpoint eyes full of
smoldering anger
you can do what you want to whenever you want to
you can do what you want to there's no one to stop you
now you can do what you want to whenever you want to
do what you want to whenever you want to
do what you want to whenever you want to though it
doesn't mean a thing
big nothing
