i'm a color reporter  
but the city's been bled white  
and the doctor orders drinks all night to take away this  
curse  
but it makes me feel much worse  
bled white  
so i wait for the f-train  
and connect through a friend of mine  
to a yesterdaydream  
'cos i'll have to be high to drag the sunset down  
and paint this paling town  
bled white  
so here he comes with the blank expression  
especially for me 'cos he knows i feel the same  
'cos happy and sad come in quick succession  
i'm never going to become what you became  
don't you dare disturb me  
while i'm balancing my past  
'cos you can't help or hurt me  
like it already has  
i may not seem quite right  
but i'm not fucked, no quite  
bled white  
bled white
