God bless America
Land that I love
Stand beside her
And guide her
Through the night with a light from above
From the mountains
To the prairies
To the oceans white with foam
God bless America
My home sweet home
God bless America
Land that I love
Stand beside her
And guide her
Through the night with a light from above
From the mountains
To the prairies
To the oceans white with foam
God bless America
My home sweet home
God bless America....
My home sweet home
