Give me a second I  
I need to get my story straight  
My friends are in the bathroom  
getting higher than the empire state  
my lover she is waiting for me  
just across the bar  
My seat's been taken by some sunglasses  
asking 'bout a scar  
and I know I gave it to you months ago  
I know you're trying to forget  
but between the drinks and subtle things  
the holes in my apologies  
you know I'm trying hard to take it back  
so if by the time the bar closes  
and you feel like falling down  
I'll carry you home

Tonight  
We are young  
So let's set the world on fire  
We can burn brighter  
than the sun

Tonight  
we are young  
so let's set the world on fire  
we can burn brighter  
than the sun

Now I know that I'm not  
all that you got  
I guess that I  
I just thought maybe we could find a ways to fall apart  
But our friends are back  
So let's raise a toast  
Cause I found someone to carry me home

Tonight  
We are young  
So let's the set the world on fire  
we can burn brighter

than the sun

Tonight  
We are young  
so let's set the world on fire  
we can burn brighter  
than the sun

Carry me home tonight  
Just carry me home tonight  
Carry me home tonight  
Just carry me home tonight

The moon is on my side  
I have no reason to run  
So will someone come and carry me home tonight  
The angels never arrived  
but I can hear the choir  
so will someone come and carry me home

Tonight  
We are young  
So let's set the world on fire  
we can burn brighter  
than the sun

Tonight  
We are young  
so let's set the world on fire  
we can burn brighter  
than the sun

So if by the time the bar closes  
and you feel like falling down  
I'll carry you home tonight
