I'm Comin... I'm Comin... I'm Comin... I'm Comin
I am the man in black I'm back
Breaking the back of the random attackers
So can the flak
Yo Im dangerous
I've been trained to bust
When a stranger fuss try to endanger us
Praise me y'all
Dont nothing faze me y'all
When they see me their gaze be all crazy y'all
They say I'm a myth
Trust me if somebody riff
Out of the depth of your imagination appears Will Smith
Black suit, the black shades, the black shoes
black tie with the black attitude
New style black Ray-Bans
I'm stunning man
New hotness pitch black six hundred man
Don't you understand?
What you thought I wouldn't come again?
Leave you hanging without bringing you the fun again?
Tangling with the alien scum again
Monumental it's the black suits running in

Yo, case closed

Erase my foes

Chased away by the black suits, shades, and clothes

We above the law

Feds can't touch me y'all

Highly ranked black blank I.D. card

So disregard what you think you saw

Put that phone down now

Who you think you calling huh?

One little flash then good night there

Just open your eyes honey look right there

Thank you mission completed

I mean it we won't be defeated

You seen it we did it even with weapons depleted

Galaxy defenders don't act like you don't remember

Taking contenders and proving they only pretenders

Ladies and gentlemen, boys and girls

The Men In Black is back to protect the world

When the enemy is near the elite is hear

So have no fear just let me see you
