Uh...

Here come the Men in Black
It's the M.I.B.'s, uhh, here come the M.I.B.'s
Here come the Men in Black
They won't let you remember
Nah nah nah

The good guys dress in black remember that
Just in case we ever face to face and make contact
The title held by me -- M.I.B.
Means what you think you saw, you did not see
So don't blink be what was there
is now gone, black suit with the black Ray Ban's on
Walk in shadow, move in silence
Guard against extra-terrestrial violence
But yo we ain't on no government list
We straight don't exist, no names and no fingerprints
Saw somethin strange, watch your back
Cause you never quite know where the M.I.B.'s is at
Uh and...

Here come the Men in Black (Men in Blaaaaack)
Galaxy defenders (oahhaooohh ohhhhh)
Here come the Men in Black (Men in Blaaaaack)
They won't let you remember

Uh uh, uh uh, now
from the deepest of the darkest of night
on the horizon, bright light enters sight tight
Cameras zoom, on the impending doom
But then like BOOM black suits fill the room up
With the quickness talk with the witnesses
Hypnotizer, neuralizer
Vivid memories turn to fantasies
Ain't no M.I.B.'s, can I please
do what we say that's the way we kick it
Yaknahmean? I see my noisy cricket get wicked on ya
We're your first, last and only line of defense
against the worst scum of the universe
So don't fear us, cheer us
If you ever get near us, don't jeer us, we're the fearless

M.I.B.'s, freezin up all the flack
(What's that stand for?) Men In Black

Uhh M
The Men in Black...
The Men in Black

Let me see ya just bounce it with me, just bounce with
me
Just bounce it with me c'mon
Let me see ya just slide with me, just slide with me
Just slide with me c'mon
Let me see ya take a walk with me, just walk it with me
Take a walk with me c'mon
And make your neck work
Now freeze...

Here come the Men in Black (Men in Blaanaack)
The galaxy defenders
Right on, right on
Here come the Men in Black (Men in Blaanaack)
They won't let you rememberk (ohhhh nooooo)

Alright check it, let me tell you this in closin
I know we might seem imposin
But trust me if we ever show in your section
Believe me, it's for your own protection
Cause we see things that you need not see
And we be places that you need not be
So go witch a life, forget that Roswell crap
Show love to the black suit, cause that's the Men in
That's the Men in...

Here come the Men in Black (here they comeeeee)
The galaxy defenders (ga-la-xy de-fenders)
Here come the Men in Black (ohhhh here they come)
They won't let you remember (won't, let you,
rememberrrr)
Here come the Men in Black (ohhhh here they come)
Galaxy defenders (ohh ohh, ohh ohh, ohh ohh)
Here come the Men in Black
They won't let you remember
