No More

Damn

"Hey this is me I'm not in right now but if you leave your name and your number I just might think about calling you back"

Pick up the phone girl I know that you home

Please don't leave me all alone with just the sound of this tone

Come on pick up pick up pick it up pick it up pick it up  
I know I don't deserve it cause of how I messed up but  
Aight cool sit and listen

Missing ya kiss and now a tear drop glistens

I had a bit to drink

Kinda threw me

Things just happened she didn't mean nuthin to me

You know me baby I'm still that same man

That asked for your hand

And still that same plan

Another brother falls by the way side

Another brother falls by the play side

I knew ever since I was a kid

I was gonna pay the piper for the things I did

But now it's no more us no more we

No more nuthin girl

Damn and its all cause of me

No more late nights watching TV (No More)

No more talks on the phone till 3 (No More)

No more playing in the leaves in the fall (No More)

No more piggy back rides in the mall (No More)

No more ice cream cones to share (No More)

No more sitting just playing in ya hair (No More)

No more picnics out by the sea (No More)

No more nuthin and its all cause of me

Damn

Some brothers yeah we huff and we puff

Cause when we hurtin inside we gots to front like we tough

But that's dangerous, to cover hurt with hard

Cause you still get scarred through that feeble farced  
Then the bonds of your ego and the shackles of man  
hood  
Make you lose something that's damn (damn) good  
(good)  
I picture in my mind us hand in hand walking  
So alive, now I'm a dead man talking  
Why can't you just pick it up so we can sit and just talk  
Why can't you meet me somewhere so we can go take  
a walk  
I can't hide air, land, or sea  
Cause every time I turn around their I be  
When I was with you I felt free  
Now I'm in a cage called me  
Now I see  
No more us no more we  
No more nuthin girl  
Damn and its all cause of me

No more late nights watching TV (No More)  
No more talks on the phone till 3 (No More)  
No more playing in the leaves in the fall (No More)  
No more piggy back rides in the mall (No More)  
No more ice cream cones to share (No More)  
No more sitting just playing in ya hair (No More)  
No more picnics out by the sea (No More)  
No more nuthin and its all cause of me

No more late nights watching TV (No More)  
No more talks on the phone till 3 (No More)  
No more playing in the leaves in the fall (No More)  
No more piggy back rides in the mall (No More)  
No more ice cream cones to share (No More)  
No more sitting just playing in ya hair (No More)  
No more picnics out by the sea (No More)  
No more nuthin and its all cause of me
