[Will Smith]

Wild Wild West, Jim West, desperado, rough rider
No you don't want nada
None of this, gun in this, brotha runnin this,
Buffalo soldier, look it's like I told ya
Any damsel that's in distress
Be out of that dress when she meet Jim West
Rough neck so go check the law and abide
Watch your step with flex and get a hole in your side
Swallow your pride, don't let your lip react,
You don't wanna see my hand where my hip be at,
With all of this, from the start of this,
Runnin the game, James West tamin the west so
remember the name
Now who ya gonna call?

[Dru Hill]

Not the G.B.'s

[Will Smith]

Now who you gonna call?

[Dru Hill]

G double E G

[Will Smith]

If you have a riff with people wanna bust
Break out before you get bumrushed at the (Wild Wild West)
When I roll into the (Wild Wild West)
When I stroll into the (Wild Wild West)
When I bounce into the (Wild Wild West) Sisqo, Sisqo

[Sisqo]

We going straight to the Wild Wild West
We going straight to the Wild Wild West

[Will Smith]

Now, now, now, now once upon a time in the west
Mad man lost his damn mind in the west
Loveless, givin up a dime, nothin' less

Now I must put his behind to the test (can you feel me)
Then through the shadows, in the saddle, ready for
battle
Bring all your boys in, here come the poison
Behind my back, all the riffin' ya did,
Front and center, now where your lip at kid?
Who dat is? A mean brotha, bad for your health
Lookin damn good though, if I could say it myself
Told me Loveless is a mad man, but I don't fear that
Got mad weapons too, ain't tryin to hear that
Tryin to bring down me, this champion
When y'all clowns gon' see that it can't be done
Understand me son, I'm the slickest they is,
I'm the quickest as they is, did I say I'm the slickest
they is
So if you barking up the wrong tree we comin, don't be
startin nothin
Me and my partner gonna test your chest, Loveless
Can't stand the heat then get out the Wild Wild West

[Dru Hill]

We going straight to (when I roll into the) the Wild Wild
West (when I stroll into the)
We going straight to (when I bounce into the) the Wild
Wild
West
We going straight to the Wild Wild West
We going straight to the Wild Wild West

[Dru Hill]

(*freestyling*)

To any outlaw tryin to draw, thinkin you're bad,
Any draw on West best with a pen and a pad,
Don't even think about it, six gun, weighin a ton,
10 paces and turn, just for fun, son,
Up till sundown, rolling around,
See where the bad guys are to be found and make 'em
lay down,
The defenders of the west,
Crushin on pretenders in the west,
Don't mess with us cuz we're in the (Wild Wild West)

[Sisqo]

We going straight to the Wild Wild West
We going straight to the Wild Wild West
We going straight to the Wild Wild West
We going straight to the Wild Wild West
We going straight to the Wild Wild West
We going straight to the Wild Wild West, come on
