Asylum erotica, yeah  
I said the ones on the wheels  
Doomsday machinist, flying out the window  
She's looking strange

Nowhere to nowhere  
Diamonds, she's got what it takes, diamonds forever  
You'd be surprised, come on, baby, get it in gear  
Stone-face and raw meat

Nowhere to nowhere  
Diamonds projected from above  
A dead astronaut returns, buried in 'sixty-nine

Brain is all crystallized  
More horrible than before, parasite sucking style  
Hey, yeah, man, it's out of sight  
Anti-Christ service, hey, yeah, man, it's out of sight
