We all go down for the sacrificial moment
Crucifixion nails stain the bed of holy
Space things blue diamond studded sugar coated
Well, I am hell a miracle overloading

Turn me on, yeah
Electric head-all over
Turn me on, yeah
Electric head-all over

We all go down for the god of the moment
Super demon seed running wild and below and
Surgarland express what you know and
Get inside get in there
Evil in your eyes baby I don't care
Get inside get in there
See the flesh falling everywhere

Get inside get in there
Evil in your eyes baby I don't care
Get inside get in there
See the flesh falling everywhere

We all go down for a piece of the moment
Watch another burn to the death to the core
And the road show thrills pack the freaks and the
phonies
Sing now is now yeah! all I ever wanted
