Yeah! I penetrate the demons
Their teardrops burn away my eyes
I love the paper-thin cry of the locust
Is there any other way to die

Find me another hell and the deathbed ride
Yeah, yeah, yeah the motherfucker

Yeah! I'm drifting slowly
Going close enough to the sky
New world gone slay the devil
Can you show me a better way to die

Find me another hell and the deathbed ride
Yeah, yeah, yeah the motherfucker

New lovers bang the corpses
Eat the rain and don't ask why
I am a plague in an 18-wheeler
Get behind the wheel I'm gonna drive
