The Great American Nightmare

Written by Rob Zombie and Charlie Clouser  
Performed by Rob Zombie and Howard Stern

Yeah! Dig deep down on Planet Sex, yeah!  
Thirteen ghosts in the devil's head;  
Step right up and feel the violence;  
Hardcore love of the never dead!

Call me the American Nightmare;  
Call me the American Dream;  
Call me your soul corrupted;  
Call me anything you need!

Yeah! Motherfucker!  
Yeah! Who do you love?  
Yeah! Motherfucker!  
Stoned along in love, yeah!

Yeah! Black boot stompin' Planet Sex, yeah!  
Lust and meltdown in your head;  
Rat pack mind degenerated;  
Thirteen ghosts sing the body red!

Call me the Dark Intruder;  
Call me the haunted sea;  
Call me your monster zero;  
Call me anything you need!

Yeah! Motherfucker!

Yeah! Who do you love?  
Yeah! Motherfucker!  
Stoned along in love, yeah!

(Because it's easier to decapitate a corpse;)  
(A bloody masochist disposed of the head?;)  
(To have sex with a headless body;)  
(To have sex with a headless body;)  
(In a grisly ritual of mutilation and necrophilia.)

(Hey, little lady! Get over here! Get over here!)  
(Get over here, God Damn It! Fuck yeah!)  
(Please, get off me! Get off me! Nooooo!)

Call me the American Nightmare  
Call me the American Dream  
Call me your soul corrupted  
Call me anything you need

Yeah! Motherfucker!  
Yeah! Who do you love?  
Yeah! Motherfucker!  
Stoned along in love, yeah!

Yeah! Motherfucker!  
Yeah! Who do you love?  
Yeah! Motherfucker!  
Stoned along in love, yeah!
