Woven in the surface a premonition of a land erupting  
A sparkling occasion of a city  
Crashdown! Overhead  
Revolv'n in a whirlpool a drag-o-rama  
Walk'n on the sidewalk so let me see ya howl'n through  
the keyhole  
"Goddamn, swept away" she shouted, she love it, get  
in away yeah!  
I concentrate the midnight without the benefit of  
ceremony  
Whoever said, "The one who strips your soul is the one  
that got away"  
A weather-beaten angel descending to embrace the  
cemetery  
Got love, so mystifying "Goddamn, swept away" She  
shouted, she love it, get in away yeah!  
She shouted, she love it, get in away yeah!  
Voodoo beat on the mind the digs too deep to find  
Something has got to give, man [psych-out] racketeer  
or star You are just what you are, Don't play the misty,  
baby!  
[Get you] into a river sky electro nation cry  
"I need another, now" drift beyond the sleeping  
The moon is shift'n shadows on her figure  
Swamp time locomotion "I can't take it,  
anymore!" Sunlight through the shutters Illuminating  
moment to the moment buzz a halo over "Goddamn,  
swept away" she shouted, she love it, get in away, yeah  
Planet pretty kill, motherfucker hang me on the thrills  
Psychoholic slag tomorrow is another drag [yeah]  
picnic in the homeland  
Like a Jesus super star yeah! Kiss me deadly, baby  
[baby]  
I know who you are [come on] Planet pretty kill,  
motherfucker hang me on the thrills yeah!  
No small heaven [haven] I got the left hand of the  
keeper  
Meet me in St. Louis, "God", a one way ticket's cheaper  
yeah!  
Time-travel I'm walk'n [walk'n] I got a white line zombie  
fever [fever] yeah!  
Time bomb the hero [hero] yeah get down!!!
